

More than 12 big blinds: Before the flop

Your cards

> A > Ace

> Q > Queen

> T > Ten

> K > King

> J > Jack

> 9 > Nine

Your position

Blinds The 2 players who paid the blinds.

Late The 2 players counter-clockwise of the blinds.

Middle The next 3 players counter-clockwise.

Early The next 3 players counter-clockwise.

Your action when you have more than 12 big blinds

Your cards	Early	Middle	Late and Blinds
AA, KK, QQ	Raise / All-in		
AK	Raise / All-in		
JJ	Raise / Fold		Raise / All-in
TT, 99, 88	Fold	Raise / Fold	
77	Fold		Raise / Fold
AQ	Fold	Raise / Fold	
AJ, AT	Fold		Raise / Fold
KQ, KJ	Fold		Raise / Fold
All other cards	Fold		

Raise / Fold: If nobody raised before, you raise. Otherwise fold your cards. You also fold when somebody raises again after you.

Raise / All-In: You always raise. If somebody raises before or after you, you raise again. Ideally you can get all your chips in (all-in) before the flop cards are dealt.

Fold: You fold. The only exception is when you paid the big blind and have the option to check. Then of course you should check.

More than 12 big blinds: After the flop
